C Em

It's fine food and low lights
F G7
And your hand in mine
F G7
It's this night together
E F
Things just can't get better
c Em
Than Dark chocolate red roses
F G7 C
And your hand in mine

It's our love it's this love
G7 c
It's our lovers waltz

Soft music and candles
And not watching the time
It's talking till too late
Getting lost in your eyes
It's holding you so close
Our bodies entwined
Soft music and candles
Getting lost in your eyes
