

Talking About Houses

G

We've been talking about houses

C

G

We've been talking about land

G

D

We've been looking through papers

C

G

We've been looking at plans

She's been talking about auctions

I've been talking on the phone

We've been talking about money

We've been talking about a home

Em

It's time to put some roots down

Am

Em

No more moving from town to town

Em

It's time we settled down now

B7

Em

I'm tired of moving around

We've been looking at gardens

We've been looking at plants

We've been looking at pavers

We've been looking at sand

She's been talking about new

I've been talking about old

We've been about banks

We've been talking about sold

We've been looking at this place

We've been looking at that

We've been looking round town now

We've been looking to leave this flat

She's been talking about dollars

I've been talking about debt

We've been talking about houses

We've been talking no rent
